WHAT YOU NEED TO KNOW

236 E HOLLY BLVD BRANDON SD

Position your business for success at this well-located office property in the growing community of Brandon. Situated at 236 E Holly Blvd, this professional space offers excellent visibility and convenient access just minutes from Sioux Falls, making it an ideal hub for both clients and employees.

The building features a clean, modern exterior with ample on-site parking and a functional layout designed to support a variety of business needs—from professional services to small team operations. Inside, tenants will appreciate bright workspaces, flexible office configurations, and a welcoming environment that reflects professionalism and efficiency.

Located in a high-growth area with strong local demographics, this property provides an opportunity to establish or expand your presence in one of the region's most desirable suburban markets. Easy access to major roadways ensures seamless connectivity while still offering the benefits of a quieter, business-friendly setting.

Whether you're launching a new venture or upgrading your current space, 236 E Holly Blvd delivers the accessibility, visibility, and flexibility today's businesses demand.
